BEST IN FESTIVAL

BEVERLEY

Directed by Alexander Thomas

Beeston Film Festival is delighted to award this year's 'Best in Festival B'Oscar to Alexander Thomas for 'Beverley', a mixed race girl's struggle to carve out a sense of identity in a confusing, shifting cultural landscape - 1980 Leicester..

"An award winner for me. It is exactly how I remember it. So many films attempting to recapture that period fail. Brilliant"

- Steve Deery, BFF Review Team
