Our 4th festival saw significant growth in submissions & quality of entry. The awards night was blessed with many filmmakers in the room, & was webcast to nominees across the world. BEST IN FESTIVAL

JENNA

Directed by Christian Monnier

Beeston Film Festival is delighted to award this year's 'Best in Festival B'Oscar' to Christian Monnier for 'Jenna'.

Jenna, a transgender woman, returns to her family home for her sister's funeral. Jenna sees Armelle, her childhood friend, again, as well as her parents, Manu and Florence. But the reunion doesn't go quite the way she could have wished.
